The Kentucky Derby Future Wager, offered for a 21st consecutive year, enables bettors to wager on possible Kentucky Derby contenders in advance of America's greatest race at odds that could be more attractive than those available on the day of the race. The 1 ¼-mile Kentucky Derby for 3-year-old Thoroughbreds will be run Saturday, May 4.

Total betting over the three days reached \$500,407 compared to last year's record of \$543,010. Win betting was up from \$339,036 in 2018 to \$344,418 this year but exacta wagering slipped from a record \$203,974 to \$155,989.
